HOW TO APPLY for the 2022-2023 School Year

Applying to MCS is easy using our **Online Application**. The online application simplifies the submission process and provides parents a tool for tracking the status of their admission after their application has been submitted. A non-refundable fee of \$75 must be submitted with each application (*paid at the end of completing the application*).

STEP 1: Create an Account

To begin the Online Application process, go to the school's website www.modestochristian.org.

- Under the "Admissions" tab, select "Apply" from the drop down menu.
 - You will be directed to the Admissions Online instructional page
- Select the "[Create an Account](#)" Option to the left Menu bar.
- Provide your information in the required fields, then click "Create Account".
- You will receive an email verifying that you are indeed setting up an account
 - You will not be able to move forward until you verify this information

STEP 2: Start Online Application

Starting from the email verification link:

- Click on the "Verify Account" link in your email.
 - You will be directed to the Online Application Login area
- After your initial login, you may re-enter this area through the School's Website.
- Enter your Username & Password
- Click on "Create a New Student Application"
- Complete each section of the online application
- Once your application is ready for submission, you will be required to pay a \$75 application fee.

After submitting the application, you will be able to track your admissions status by logging in to your account. There you will be able to print the completed applications, monitor when the school receives supplemental application forms and, if necessary, reprint the supplemental forms.

- Once your application is complete, then a placement assessment will be arranged for your student and an interview scheduled with our Principal and or Dean of Students
- Once your student has been admitted, you will have the opportunity to complete enrollment by submitting additional information and forms along with the \$125 enrollment fee.
