June 4, 2020

Dear Parents,

Hopefully by now you have received the great news that Modesto Christian School is returning to classes on campus beginning Thursday, August 6, 2020.

We want to take this opportunity to reach out to our students who struggled adjusting to online learning during Quarter 4 resulting from COVID-19. While some students enjoyed the online learning platform, it also created specific challenges for a significant number of student learners.

MCHS can appreciate the serious impact this may have had on semester GPA's. With this in mind, MCHS in collaboration with CIF (California Interscholastic Federation), an organization that oversees athletics throughout the state, and other league schools, has re-evaluated our Extracurricular Eligibility Requirements.

In order to create a level playing field for our students, the MCHS administration, with MCS Board approval, is making necessary revisions to our policy.

The policy will now read as follows in the MCHS Student Handbook:

For the 2020-2021 school year, students must have a 2.0 G.P.A. at each grading period (quarter), to be eligible for Extracurricular Activities. Students who are ineligible for extracurricular activities and wish to appeal will be granted one appeal each school year. The probation period for the appeal shall not exceed one quarter in length. Students cannot appeal the fourth quarter of the current school year and the first quarter of the following school year.

The student is required to submit the necessary paperwork to the Athletic Director's Office in A5 one week prior to the time period considered.

Please contact the Athletic Department if you should have any questions or need further clarification at 343-2345.

Building for the Future,

Cynthia A. Jewell
Superintendent/Principal HS

Greg Pearce
Dean of Students/AD

Robb Spencer Interim
Dean of Students/AD
