Dear International Students and Families,

Modesto Christian High School will be offering two types of programs for International Students for the 2020-2021 school year:

IN-PERSON CLASSES:

- International Students currently residing in the United States will remain in active status and attend Fall classes at Modesto Christian High School. These students must remain in the United States and be prepared to start in-person classes on August 13, 2020.
- International Students who are currently residing in their home country and plan to attend in-person classes must arrive in the United States no later than Friday, August 28, 2020, with the first day of classes being September 12, 2020. Keep in mind, International Students are required to be quarantined two weeks before attending class.
- To ensure International Students do not miss the first month of instruction, they must engage with their teachers and fulfill homework requirements as posted on Google Classroom beginning August 13, 2020.
- International Students who plan to attend in-person classes after September 12, 2020, are required to be enrolled in the Independent Study Program.

INDEPENDENT STUDY PROGRAM:

- International Students who are currently residing in their home country and choose to remain in their home country, or are not allowed to leave their home country, are required to be enrolled in the Independent Study Program.
- International Students are required to be enrolled in the Independent Study Program starting August 13, 2020, to remain a student at the high school.
- International Students are required to be enrolled in the Independent Study Program to be eligible for in-person classes and/or to graduate from Modesto Christian High School.
- See the attached Modesto Christian Schools Independent Study Program FAQs.

Lastly, students who choose to withdraw from Modesto Christian High School and pursue studies in their home country, are not eligible to re-enroll for the 2020-2021 school year. If you have questions regarding the in-person classes or the Independent Study Program, don't hesitate to contact me.
