College Tours w/ Mrs. Boek

On Friday, Nov. 5th, eight of our students went on a college tour to University of California, Merced and Fresno State University. It was a beautiful fall day for the students as they toured around the campuses. They were able to eat at Merced's brand new dining facility, walk through Fresno's state of the art library, and explore different majors and academic admissions criteria for college bound students.

We hope to be able to offer another college tour in the spring. Look out for upcoming information for your student!
