From the MCS School Board

On Monday, October 4th, Modesto Christian School held our annual golf tournament to raise funds for MC's financial aid fund known as "A Life Changed". With 70 golfers and a number of volunteers and food vendors, everyone had a terrific day! The golf tournament and online raffle raised \$50,210 in net funds to help offset a portion of the financial aid requirements that many of our families rely on to keep their students at MC. Praise God!

The School Board and Administration would like to thank all of our corporate sponsors, golfers, and volunteers that participated in the tournament this year as well as all of the individuals that supported the online raffle. Mark your calendars for next year - Monday October 3, 2022 and plan to join us!

RICHERSON'S REAL TALK

National Bullying Prevention Month

It is important to distinguish behavior that rises to the level of bullying from behaviors that indicate rudeness or mean behavior:

Rude = inadvertently saying or doing something that hurts someone else.

Mean = purposefully saying or doing something to hurt someone once (or maybe twice).

Bullying = cruel behavior, done on purpose and repeated over time that involves an imbalance of power. *

Make no mistake; mean and rude behaviors can wound deeply and adults can make a huge difference in the lives of young people when they hold kids accountable. Yet, meanness and being rude is different from bullying in important ways that should be understood and differentiated when it comes to intervention.

If you witness bullying, you have the power to stop it. How?
Advocacy skills!

Self Advocate: You have the right to identify what you need and to ask for help. You are not alone.

Advocate for others: If it feels safe to do so, ask that the bullying stop or find an adult who can quickly intervene
