March 20, 2020

Dearest MC and GVA Washington DC Families,

We continue to pray for all of you and your health and safety. I'm hoping you are finding opportunities for special time together with your family. It is with a heavy heart that I am writing to you to tell you our Washington DC 2020 trip has to be cancelled.

Mrs. Lynn Olson, our DC coordinator, has gone above and beyond in trying to make everything work for each of you. However, due to the fact that most of our destinations have now been closed through the time of our visit, and our California governor issuing a "Shelter in Place," most vendors, including Southwest airlines, have agreed to reimburse the monies we have paid.

Please know that your reimbursements will come from our Business Office, but will not be available for at least 60 - 90 days. That is how long each vendor is telling us the reimbursement will take. As soon as we receive the monies back, we will reimburse you. Several of your items are non-refundable and will be available for pickup once we are back at school (T-shirt, backpack, lanyard).

Again, we are sorry for our students that have looked forward to this trip for many years, and we tried everything to be able to proceed with the trip. Feel free to contact me or Lynn Olson if you have any questions. We continue to pray for all of our MC and GVA students and their families, our community, and our nation. We look forward to seeing you again soon.

God Bless You Precious People,

Mrs. Vicki Ollson

K-8 Principal
