Dear Parents and Students,

Congratulations are in order! Modesto Christian Elementary School, K-6, has received the approved Waiver from Stanislaus County Health Department and the State of California for our teachers to instruct students in person. The county and state fully endorse the Modesto Christian School Elementary Safe School Reopening Plan. To view our Safe School Elementary Reopening Plan, please visit our school website at [www.modestochristian.org/covid-19.html](http://www.modestochristian.org/covid-19.html).

With this information, we are pleased to inform you that MCS K-6 will open to *traditional, in-person instruction* beginning Monday, September 14. Our campus will continue to observe appropriate health and safety guidelines including social distancing, masks, as appropriate, and completing the Daily Health Screening paper form (soon to be available online via the Daily Health Screening App, as well).

A heartfelt thank you to each of our parents, students and staff for responding appropriately to ensure we all remain safe and healthy during these challenging times. As always, if you should have any questions and/or concerns, please feel free to contact us.

Building for the Future,

*Vicki Ollson*  
Principal EL/MS

*Cynthia A. Jewell*  
Interim Superintendent/Principal HS
