04 September 2020

Dear Students and Parents,

We trust that you and your family are doing well. Our Safe School Re-Opening Plan K-6 and Waiver Request is now in the hands of the Stanislaus County Health Department for evaluation and approval. Effective this week, the health department informed MCS they are evaluating and approving waivers now that the COVID-19 numbers are below 200. We will continue to work with health department representatives in an effort to expedite this process and keep you informed as we move along.

Middle / High School Class Schedule for Tuesday, September 8

With Labor Day and no school on Monday, September 7, the Middle School and High School ***will be following a revised schedule for Tuesday, September 8 only***. The revised schedule will require ALL students to follow the Periods 1-7 schedule included in the MS/HS Handbooks on page 6 for Monday/Wednesday (see attached bell schedule). Although these are shortened class periods, we did not want to cancel any classes at this time.

Daily Health Screening App Preschool-12th Grades

We are pleased to inform you that Modesto Christian School has collaborated with rSchoolToday to provide a Daily Health Screening app for each of our families, employees and coaches.

The Daily Health Screening app will include a temperature check and symptoms check to complete on a daily basis prior to arriving on campus. The app will look similar to the current Health Screening Form we have been using as students arrive on campus. Once trained, our team will begin the rollout process for specific grade levels, initially, until all students on campus are effectively using the Daily Health Screening app. Check out this link: <https://rtvbroadcaster.com/archive/video/play/16753> to become familiar with the app. We will keep you updated when we are going live.

Calendar

The revised schedule is attached and ready for your reference. Due to the year we are experiencing with COVID related issues, there are several revisions to the calendar. Most notable are the graduations. As you may well be aware, the CIF athletic schedule extends a few weeks into July. In order for all seniors to participate in the graduation ceremony, we have moved Middle School and High School graduations to Thursday, May 27. Please take a few minutes to review the calendar at <https://www.modestochristian.org/calendar.html>.
